HELLO FRIEND

Byron here from Visual Creation Weddings! When filming I try to create a timeless memory capturing loves most precious moments with cinematic finesse & artistic flair.

Based on the Sunshine Coast, I've travelled from the sandy shores of Noosa to the bustling Gold Coast & as far as Melbourne's picturesque Feathertop Winery.

Discover how I can make your special day unforgettable. Your love story deserves to be told beautifully. Let's start planning how to turn your special day into a collection of unforgettable memories that will last a lifetime!

HOW I SHOOT WEDDINGS

A professional in the wedding industry for 9 year, I've had the honour of capturing every precious moment from the excitement of preparations to the joy of the reception.

To me, it's personal. Being part of such an intimate day goes beyond just filming. It's about truly connecting with each couple as individuals, understanding what matters most, & ensuring that your love story is told beautifully on film. My approach is professional, friendly, & filled with enthusiasm, so your experience is not only seamless but enjoyable.

I'm here to make sure your wedding day is perfect, & that every cherished moment is captured for you to relive over & over.

To suit your unique day, I offer a range of wedding videography packages that include everything from stunning aerial drone footage to full-day coverage. Custom packages available along with a variety of add ons. Here's how I can help bring your vision to life...

TESTIMONIALS

"Once the ceremony was over we had a rain shower hit us and Byron saw my dress getting damp & gave me his massive umbrella to make sure it didn't get wet. Gestures like this are what stick with us! The video itself blew us away amazing video & experience 10/10 would recommend to anyone thank you!"
